

eCTD PDF Validation – Compliant Test Document

This is Page 1 of a two-page PDF created specifically to PASS all eCTD PDF Properties Validation Criteria. The document is generated from an electronic source, contains embedded standard fonts, has no annotations, no hyperlinks, no bookmarks, no JavaScript, and no restricted content.

Second Page – Continued Content

This is Page 2 of the document. It maintains correct page size (8.5 x 11 inches), adequate margins, searchable text, and complies with all layout, zoom, and navigation requirements defined by the eCTD PDF Properties Validation Criteria. There are no external references, embedded media, or non-compliant features.
